Company overview

YS Tech LLC is an Ohio technology firm delivering Salesforce architecture, AI solution engineering, IT staff augmentation, and technology advisory to state agencies and private-sector organizations. Engagements are led directly by its principal, with 25+ years in enterprise IT and 20+ Salesforce certifications. Advisory work is delivered under the trade name Modern Path Tech Advisory.

Core competencies

Salesforce architecture and implementation
Solution architecture, implementation, org assessments, technical-debt remediation, release governance.

CRM modernization and integration
Legacy CRM migration, data migration and quality, API-led integration including MuleSoft.

AI and agentic solution delivery
LLM applications, retrieval-augmented generation, multi-agent workflows, AI readiness and governance.

IT staff augmentation
Vetted business analysts, project managers, and Salesforce and MuleSoft professionals.

Technology advisory
Fractional CTO, architecture reviews, vendor selection, technology roadmaps.

Differentiators

- **Principal-led:** 25+ years in enterprise IT and 20+ Salesforce certifications; the person scoping the work is accountable for delivering it.
- **AI built, not just advised:** designs and operates production multi-agent AI systems in live use.
- **Ohio-based:** Columbus headquarters; on-site availability for state agencies.
- **Flexible engagement:** fixed scope, time and materials, or staff augmentation.

Past performance

- **Ohio Department of Administrative Services** — IT delivery services — 2014–2021
- **Ohio Department of Natural Resources** — AI and CRM services — 2025–2026
- **Siriikon Inc.** — Consulting services — 2014–2026
